Thanks for your assistance Zippy! Tent is sold!

#### Zippy's sales page

GP Small canvas tent. Comes with the canvas, all poles, all lines, all stakes and as extra one more side pole and a few extra stakes.

The tent is in great serviceable condition. I did set it up yesterday to check the condition (thanks for the help Chris Manesiotis).

It is still set up airing out. It has the standard oil impregnated smell of all US military tents. I don't smell anything funky. We marked about 6 holes ranging in size from a Bic pen size to a quarter. I am going to patch the holes just because I am anal retentive and I don't like to sell anything I haven't completely gone through. There is one patch near the top that is larger in size that the US Army had done.

These tents were post WWII, they are Korea and Vietnam appropriate. Some WWII events do allow them (you'd have to check with event organizers).

100% of the monies from the sale of this tent is going to set up a scholarship for the HRS (Historical Reenactment Society).

\$700.

HOW TO ATTEND a Board Meeting:

Monthly teleconference Board meetings are open to all members. Members do not need to register for the meetings nor do they need to contact the president or any board members.

They need to contact their unit commander for the call information to include phone number and password. This creates less of a choke point and gets the information out to more with less hassle.

The monthly board meeting time/dates will change to accommodate the board members time schedules.

The World War 2 Historical Re-enactment Society is an organization of over 1200 men and women members from coast to coast, as well as Canada and Europe. Our mission is to bring the history of World War Two to life with public displays, simulated battles, participation in parades, and a variety of other community activities.

The society strives to honor and preserve the memory of those who served in World War 2, as well as preserve the artifacts of that period.

Our members carry out a wide range of historical impressions, including those of the United States, the United Kingdom, the Soviet Union, Poland, and Germany.

Our focus is entirely on the military history of World War 2. We have no sympathy for the ideology of Nazism or fascism. Such beliefs are not welcome here.

If this exciting and rewarding hobby appeals to you, please consider joining us. Our hobby is dependent upon the talents and enthusiasm of its members and there is always room for new interest! Please contact any of our board members today for more information.
